RE: LIFE

Dearest One,

Hi there! This is God. Today I will be handling All of your problems for you. I do Not need your help. So, have a nice day.

I love you.

God

P.S. And, remember...

If life happens to deliver a situation to you that you cannot handle, do Not attempt to resolve it yourself! Kindly put it in the "SFGTD" (Something For God To Do) folder. I will get to it in MY TIME. All situations will be resolved, but in My time, not necessarily yours.

Once the matter is placed in the folder, do not worry about it. Instead, focus on all the wonderful things that are present in your life right now.

If you find yourself stuck in traffic, don't despair. There are people in this world for whom driving is an unheard of privilege.

Should you have a bad day at work; think of the man who has been out of work for years.

Should you despair over a relationship gone bad; think of the person who has never known what it's like to love and be loved in return.

Should you grieve the passing of another weekend; think of the man or woman in dire straits, working twelve hours a day, seven days a week to feed their children.

Should your car break down, leaving you miles away from assistance; think of the paraplegic who would love the opportunity to take that walk.

Should you notice a new gray hair in the mirror; think of the cancer patient in chemo who wishes they had hair to examine.

Should you find yourself at a loss and pondering what is life all about, asking "what is my purpose?" Be thankful. There are those who didn't live long enough to get the opportunity.

Should you find yourself the victim of other people's bitterness, ignorance, smallness or insecurities; remember, things could be worse—you could be one of them!

Should you decide to send this to a friend; thank you. You may have touched their life in ways you will never know!

Now, you go ahead and have a nice day.
